

Add beauty to your yard and garden.

Bowers Forest Products Garden Trellises are all manufactured in the USA with Cedar, securely fastened joints with glue and staples for added strength for extra durability.

A garden trellis is a creative and practical way to introduce vertical gardening to maximize small space gardening, creating a backdrop for your blooming beauties.

In addition to their decorative benefits, our garden trellises provide support for climbing vines, allowing them to thrive a flourish.

STAINED FAN TRELLIS

Trellis Products

Trellis products that enhance your yard & garden.

Our line of trellis is second to none.

We offer a variety of trellis products for a wide range of garden applications. Natural wood trellises are made with Cedar which naturally resists pests and decay without chemicals.

Planter Fan Trellis

Ideal for medium sized pots and raised beds, a stylish, high-quality trellis with a sturdy center picket design and extended outer slats.

48" Espalier Trellis

This Espalier trellis will quickly become your favorite trellis in the garden. It serves not just the garden but can be used in raised beds, against a bulkhead, fence or entry and will support climbing flowers.

Expandable Trellis

A 6' free standing trellis that serves to support almost any climbing plant and is fun to watch as your plant grows up it. Perfect size for a garden or raised bed.

6' Grid Trellis

Large self-staking grid trellis, use freestanding or adjacent to a wall or fence to support plants and vines.

Ladder Trellis

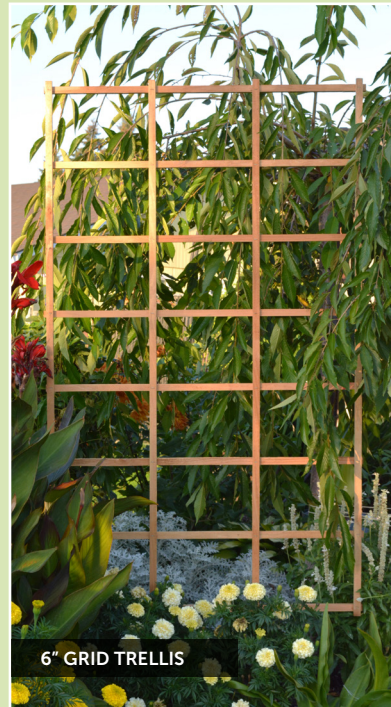

Small trellis for pots and planters. Great for herbs, peppers and small vines.

Stained Fan Trellis*

Add beauty to your home and garden year-round with this large classic fan trellis. Premium craftsmanship supports a wide variety of plants and features a protective stain.

*Product made of stained whitewood. Cedar may be available upon request.
