

About Our Woodway™ Post Caps

Woodway Post Caps add a finished quality to a variety of outdoor projects. Whether it's a copper-clad top for your mailbox, cedar pyramid caps for your picket fence posts or cedar ball finials for the fence, Woodway finishes your project with style.

Sturdy, handsome post caps capture the design sophistication and attention to detail that exemplify the classic architecture. Choose from stylish metal, wood, glass, and solar design options in a variety of styles. Woodway Post Caps are built to last. We use premium-grade, kiln-dried Western Red Cedar, Mahogany, treated Hem-Fir, and Redwood.

Our blocks and trim skirts are precision-molded for uniformity. Rabbeted joinery in our wood and select metal caps provide extra strength and durability. Our glass caps are solid-formed for longevity.

Wood Post Caps*

Our wood post caps are decorative and protective. They help prevent decay by shielding wood post tops from the elements. Our caps add a finishing touch to fences, lamp posts, mailbox posts, and deck railings.

Glass Post Caps*

Add color to your yard and garden with the radiant beauty of real glass. Woodway Glass Post Caps add elegance to deck, porch, or fence posts — even raised garden bed posts. The stunning glass post caps come in four colors — Cobalt Blue, Forest Green, Amber, and Opaque Black. Lend design sophistication and colorful appeal to your outdoor living spaces.

Forest Green

**Woodway post caps are not recommended for composite, treated, or PVC posts. For best results, Woodway post caps should be installed on nominal sized posts*

Solar Post Caps*

Woodway is raising the bar for solar lighting. The Solar Post Cap features an LED bulb for widest light coverage coupled with a German-made amorphous solar panel for improved charge capability. This post cap is molded from synthetic solid material throughout with an attractive finish layer for minimal scratch visibility. The lamp enclosure is crystal clear synthetic material, unlike competing caps which use a textured plastic. The result is a beautiful statement, day or night, in any outdoor setting.
